

VoiceThread iOS App Instructions

Here are the steps you can follow to sign into the iOS Mobile App:

1. Download the App onto your phone.
2. Open the App.
3. Tap the “Account” tab.
4. Tap “Sign in.”
5. Tap the gray “Edit” button on the sign-in page.
6. Enter "iit" here.
7. Tap “Save.
8. Tap “Done” even though you have not yet entered any username and password. This will redirect you to IIT’s Blackboard page.
9. Sign in using your IIT username (do not enter @iit.edu or @stuart.iit.edu—only enter your username) and password.
9. Navigate to your PCA course that is using VoiceThread.
10. Tap on the link to your VoiceThread Course View.
